General Information

The National Marine Propeller Association is the only recreational marine trade association dedicated to the advancement of propeller repair businesses and the product and service providers to the propeller repair industry. Its primary focus is to promote professionalism and standards through educational training, certification, business-to-business networking and by fostering a sense of community and camaraderie.

One of the NMPA core activities since its inception in 1992 is the Annual Convention, which is an international event attracting members from across the globe. Scheduled for November 7 – 10, 2019 in Las Vegas, Nevada, this event brings together NMPA members from across the U.S. for two days of fast-paced presentations on new products, new technology, updated technical information on propeller repair methodologies, certification testing, business best management practices, business-to-business networking and some fun.

NMPA also offers certification classes at the Annual Convention attracting both owners and propeller shop employees seeking to enhance their knowledge and build their network. It is a unique event that brings together the propeller industry.

Gain Exposure Among Convention Attendees & NMPA Members

The Convention offers businesses a prime opportunity to sponsor, advertise, or exhibit its products and services and meet with customers directly in a business friendly environment where manufacturers, product vendors, and propeller repair shops are eager to network and talk shop.

You can:

- Reach the NMPA members who are business owners or company decision makers
- Highlight your products and services to all NMPA members in digital, online and print publications via pre-event promotions and on-site advertising and signage
- Exhibit and interact directly with attendees and take advantage of Opening Session Exhibitor Presentation opportunity

Put your company's name, logo or ad in the hands of every Convention attendee with sponsorship opportunity or a prominent display ad where meeting attendees will be made aware of your product and presence each time they look up information on technical and business sessions, video presentations and special events. Ad sizes and rates are below. Contact NMPA office to reserve your ad space today.

Ad Size	Inches (w x h)	Rate
¼ page	3.875 x 5.125	\$150
½ page	8 x 5.125	\$300
Full page	8 x 10.5	\$500
